

Samantha Schmidt

heARTs for ART

HERO Art Display Information:

HeARTs for ART is a nonprofit that raises awareness, supports families and fights childhood leukemia by funding research. This is done in loving memory of Samantha Schmidt, a beautiful and loving, 10 year old girl who asked that funds from heARTs for ART go towards leukemia so “other kids don’t get sick”.

The HERO Art display honors the children that are fighting or have fought leukemia, they are our hero’s and the reason that heARTs for ART continues.

Thank you for allowing us to honor your child and help fulfill Samantha’s wish!
